The heart and soul of Hamilton haven't changed. It was a **great liberal arts educational experience.** It was a great place to make friendships that last a lifetime.

– Gene Romano '49

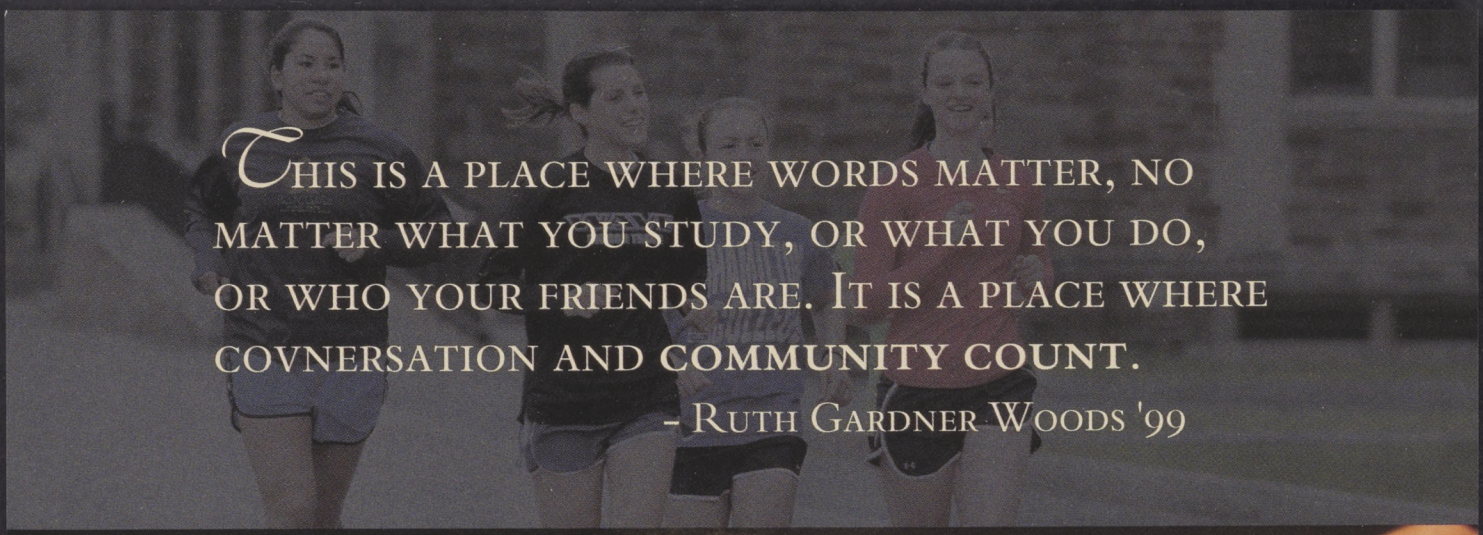
# Blue

REAL EDUCATION IS PARTLY ABOUT GAINING EXPERTISE IN AN AREA, BUT MOSTLY ABOUT BEING FORCED OUT OF OUR COMFORTABLE LITTLE HOMES -- BOTH **PHYSICAL** AND **INTELLECTUAL.**

– MARIANNE JANACK

# Continentals

# Community



This is a place where words matter, no matter what you study, or what you do, or who your friends are. It is a place where covnersation and community count.

# Bon Jovi Benefit Concert

On December 5th, 2012, Jon Bon Jovi and the Kings of Suburbia performed at a benefit concert to support new resources for the arts and scholarships at Hamilton. The alumni group, the DownBeat Keys opened the concert, which was successfully sold-out. The incredible concert, featuring such classics as "Livin' on a Prayer," not only was a great experience for the audience, but also for the entire Hamilton community as it provided many new resources for the college.

# New Theatre & Studio Arts Center

For over a decade, plans for the New Theatre and Studio Arts Center have been underway as part of the Bicentennial Initiatives campaign. This past year, the Hamilton Community has seen impressive progress on the structure, which will inevitably enrich the campus. The facility will be completed in the summer of 2014.

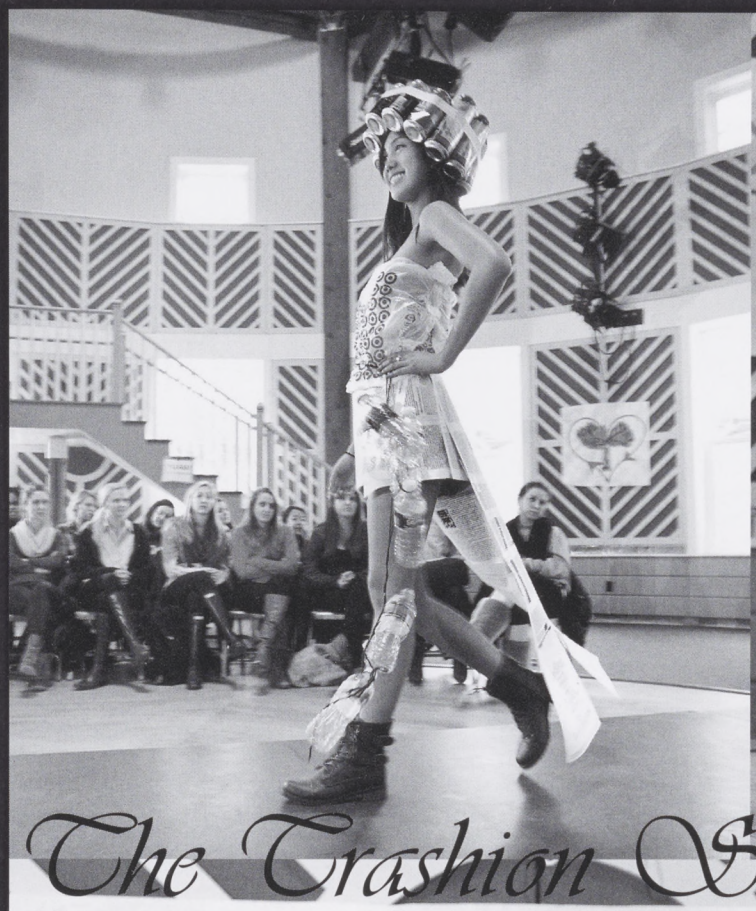
# Mr. Hamilton

As one of the most popular events of FebFest, Mr. Hamilton attracted a large crowd of excited students, who watched energetic contestants compete for the ultimate title. A talent contest followed the "formal wear" segment, and included singing, dancing, and even rifle spinning. The judges announced Felipe Garcia '14 as the grand champion. Proceeds for the event went to Operation Smile, a charity that treats facial deformities, including cleft palates.



# The Trashion Show

As an event for Recyclemania, HEAG put together a fashion show that required contestants to create outfits out of recyclable materials. Judges voted on style, originality, use of material, and form and function. Several interesting designs featured banana peels and recycled sheet music. A dress made of recycled straws and lids and spray painted gold, designed by Emily Anderson '13 and modeled bv Annie Philips '13, won the competition.

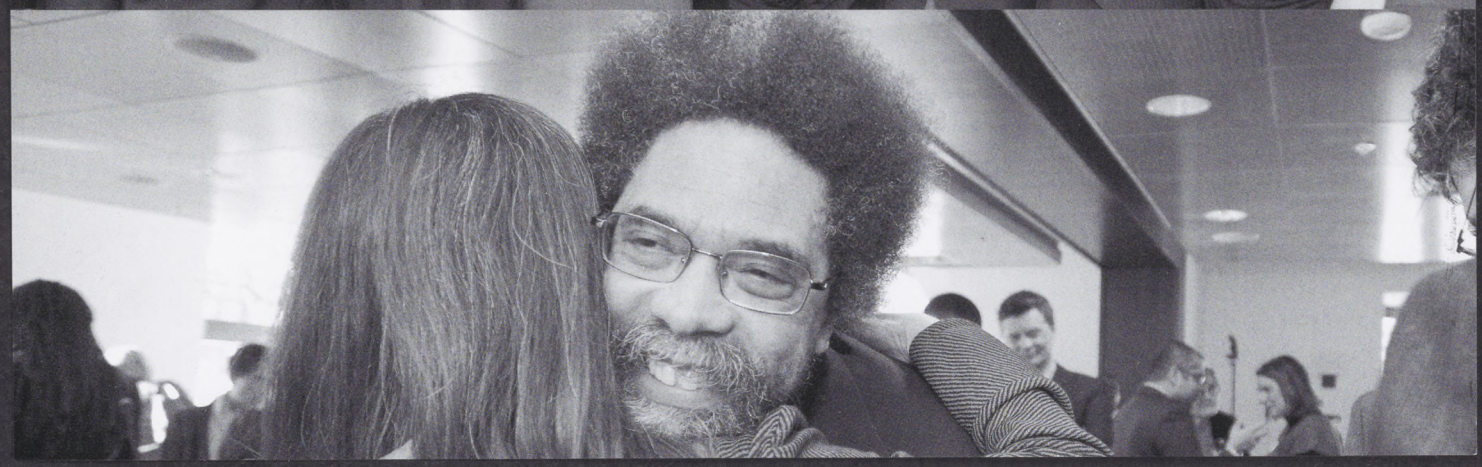
On March 8th, Dr. Cornel West, the esteemed professor, philosopher, and social justice advocate, spoke to a full crowd as the tenth speaker of the Voices of Color Lecture Series. The engaging lecture revolved around the presence and significance of pop culture and youth in the creation of a democratic society as well as the importance of "knowing thy self." Dr. Cornel West's words resonated with students and the greater community for weeks after, and his lecture proved to be a moving, emotional, and powerful event.



# Shirin Ebadi & Bernard Kouchner

On April 24th Nobel Peace Prize Laureates, Dr. Bernard Kouchner and Shirin Ebadi, spoke to the Hamilton community. Kouchner, credited with founding Doctors Without Borders, encouraged students to immerse themselves in activism to bring about change. Shirin Ebadi, an Iranian human rights activist, spoke about peace and her country's journey to achieving not only stability, but also sustainability. These Sacerdote Great Name Speakers created a truly inspirational evening offering their struggles, victories, and advice to the community.

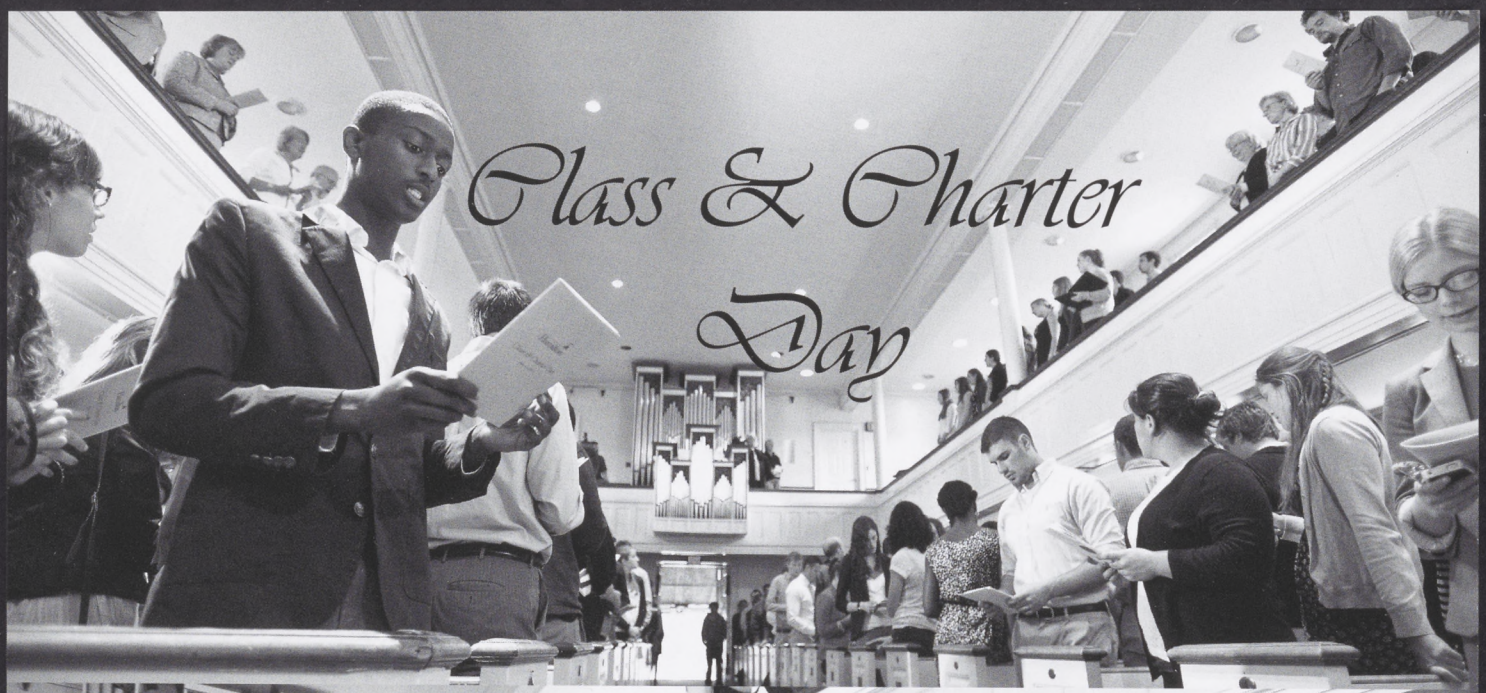
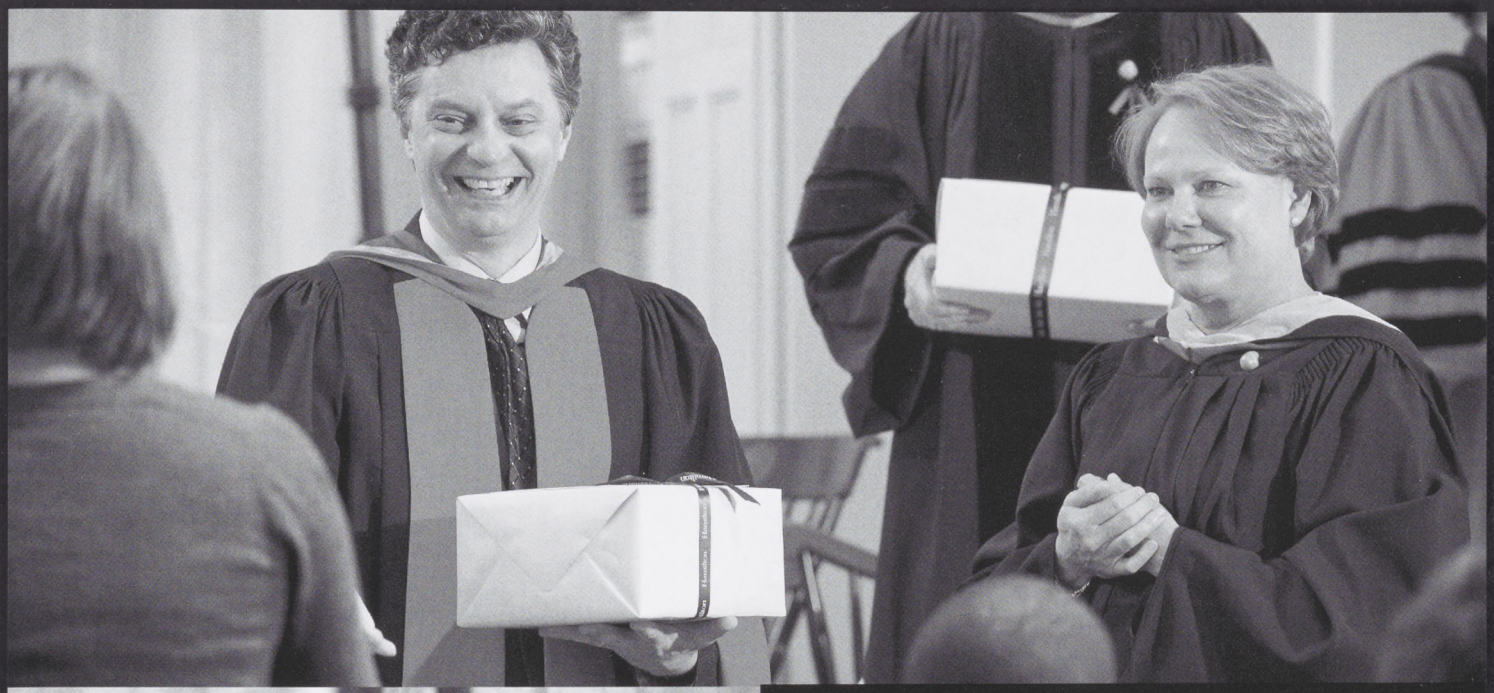
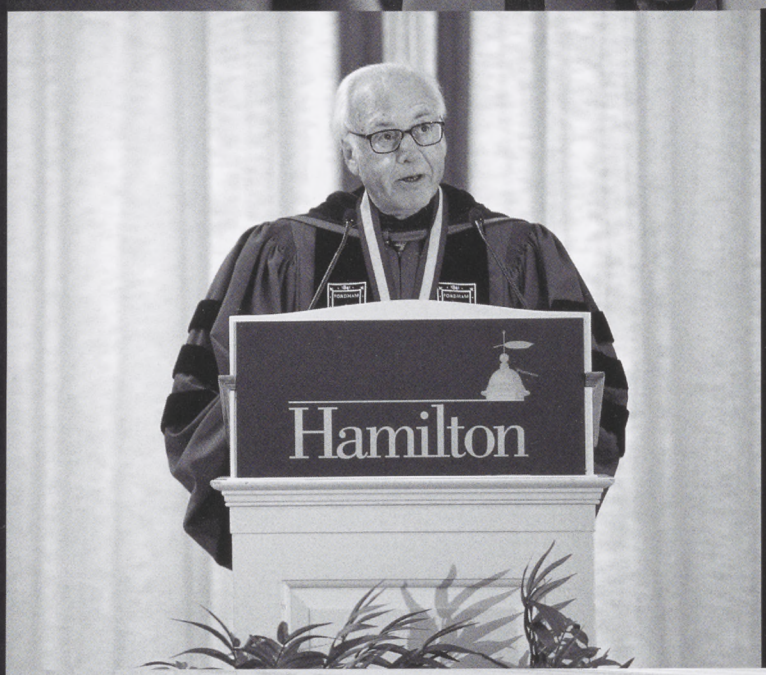
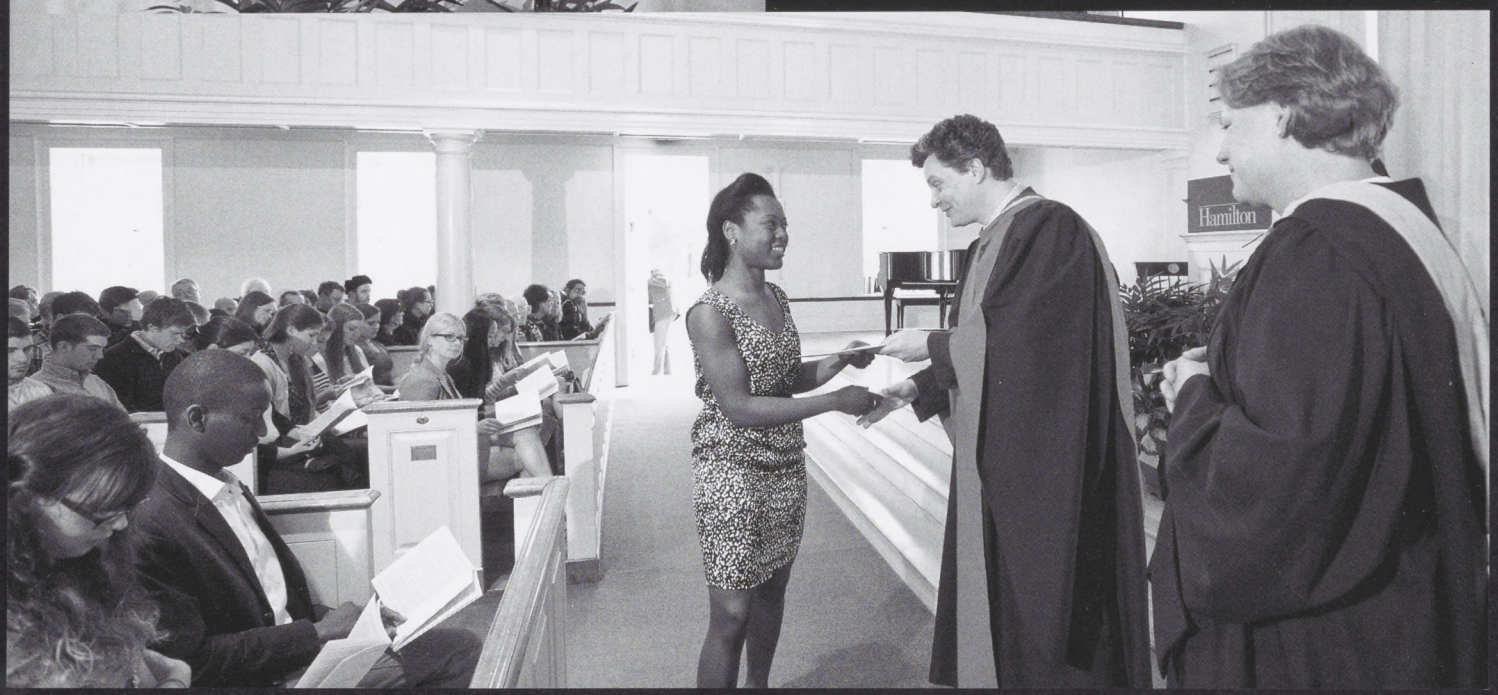
# Class & Charter Day



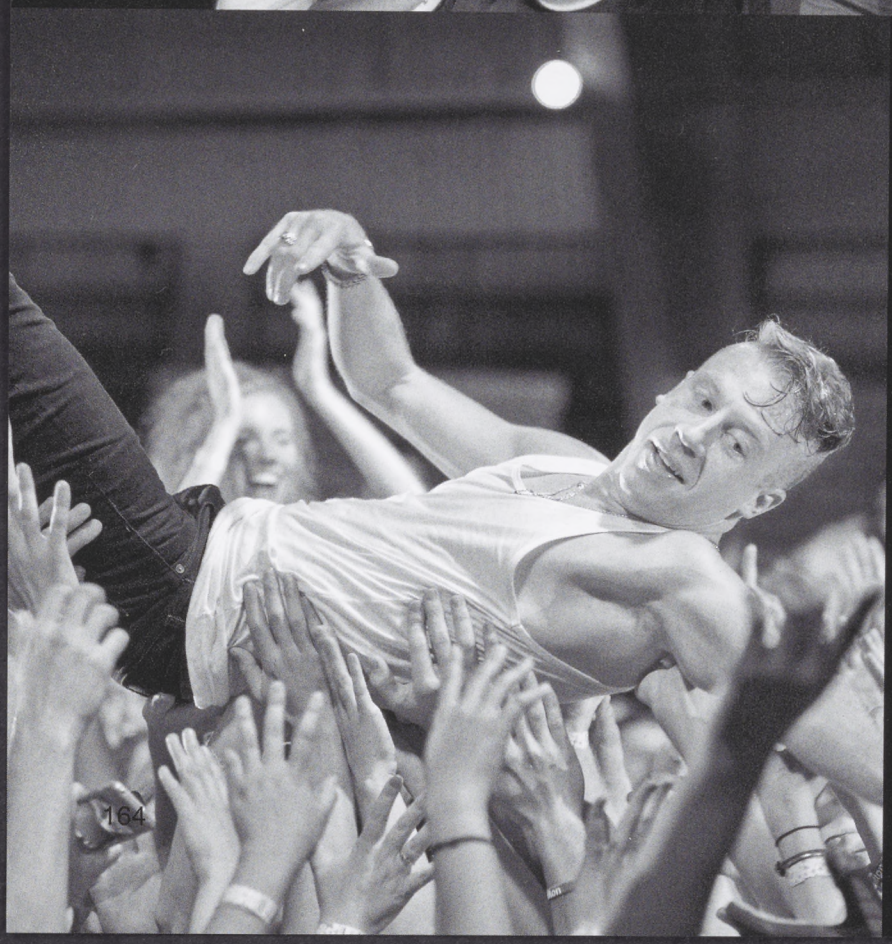




Hamilton's Annual Class & Charter Day recognized the achievements of students and faculty from this past academic year. Achievements in all academic disciplines were acknowledged, as were public speaking and writing skills. Over 150 students received recognition for their academic triumphs.



# Macklemore



Macklemore and Ryan Lewis headlined the Class and Charter Day concert. Macklemore performed crowd favorites such as "Thrift Shop," "Same Love," and "Can't Hold Us." His energy and connection to the audience was fantastic---he even borrowed a fur coat from a student to wear during "Thrift Shop." This concert proved to be a great end to the academic year.
